DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

**Supplemental to the Notice of Allowability of 28 September 2006**

***Oath/Declaration***

1. The substitute declaration filed on 22 December 2006 gives an incorrect date of amendment to the specification of 3/1/2006. The only amendment to the specification (other than the claims) on record was filed concurrently with this declaration (22 December 2006), and merely states priority claims which were included in the originally filed Application Data Sheet of 19 August 2002. The Examiner believes no new matter has been introduced through the various amendments to the claims throughout prosecution. Therefore, since the application is otherwise ready for issue, the Examiner believes that this informality in the oath is properly waived as provided for in MPEP §602.03.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dr. Jeffrey T. Barton whose telephone number is (571) 272-1307. The examiner can normally be reached on M-F 9:00AM - 5:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nam Nguyen can be reached on (571) 272-1342. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 1753

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
